### Our Seven Golden Promises

1. We treat people and all living things with care and understanding;
2. We keep our hands and feet to ourselves;
3. We speak with kindness, as calling names can hurt or upset others;
4. We take good care of our own belongings and those of others;
5. We look after our school and its equipment to keep it clean, tidy and safe;
6. We welcome difference and promote lasting friendships;
7. We can stand up in support of someone who needs a friend.

### Homework

Children should bring their reading folders into school **every day**. Please ensure their reading book is in the folder so we can read daily and change your child's book every week. Please practise reading with your child a little every day as this will really help them develop their confidence and fluency in reading.

The children have access to **Mathletics** to help support their learning in maths. Please support your child by helping them to log on to this every week to complete their homework. These tasks link directly into the work we are doing each week in maths. Please see class teachers if you need support with passwords.

### Phonic Screening Check

Children in year one will be completing the phonics screening check with the class teacher during the week beginning the 10<sup>th</sup> June. We are holding a meeting for parents to attend at 8.45am on Monday 29<sup>th</sup> April to find out more. We hope to see you then.
