Spotlight on... Digital Services

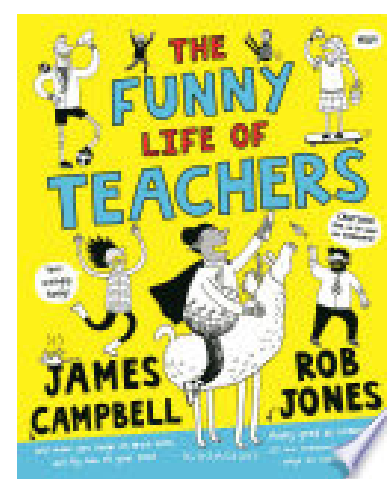

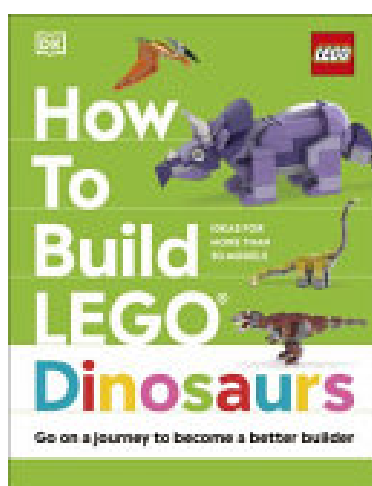

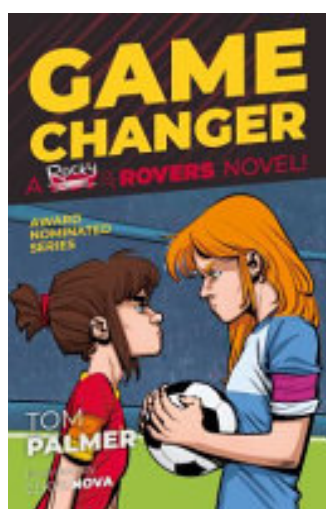

Children who are library members can use the libraries' public PCs for free to access the internet, carry out research and write up their homework. You can also access our free public WiFi and print up to five free pages of homework per day.

Library members can also access the Encyclopedia Britannica Online and Oxford Reference Online services with their library membership number - perfect for those tough homework questions!

We also have a great range of eBooks and eAudiobooks for readers of all ages to download free onto a phone/tablet from our BorrowBox App.

Our Favourite Books This Month

Want to reserve any of these, or explore the rest of our collection?

Visit libraries.newcastle.gov.uk to search for titles, find out where they are, make a reservation (for free) and select which branch you what to collect it from!
