National School Breakfast Programme Ingredients, Allergens and Nutritional Information for breakfast products

The National School Breakfast Programme is committed to providing healthy, balanced and safe food.

Due to the increase in awareness and diagnosis of people with allergies, it is essential that schools have all the relevant information on the composition of the food supplied.

Below is a list of the ingredients, allergens and advisory information relating to all National School Breakfast Programme food. We will regularly update this document with any changes - please familiarise yourself with the information provided.

Nutritional information is given in relation to National Food Standards labelling and School Food Standards (SFS). Key information is given for the amount of fat, saturated fat, sugar and salt per 100g, and is colour coded as follows:

Green = low content (in line with SFS)

Orange = medium content (in line with SFS)

Red = high content (not permitted by SFS)

**New York Bakery® Bagels
(Ambient)**

Ingredients	Wheat Flour (Wheat Flour, Calcium Carbonate, Iron, Niacin, Thiamin), Water, Yeast, Sugar, Maize, Salt, Rapeseed Oil, Preservatives (Calcium Propionate, Sorbic Acid), Vinegar, Flour Treatment Agent (Ascorbic Acid).
