Outdoor Curriculum

At Nursery we go outside every day, despite the weather, to play, learn and explore with our friends. Please make sure your child has the appropriate clothing for nursery. As the weather can be very cold, please ensure that your child has a winter coat, hat and gloves with them every day. Please remember to label your child's clothing with their name!

Organisation

Morning Nursery: 8.40am – 11.45am
Afternoon Nursery: 12:25pm – 3:30pm

- Children must be accompanied into nursery and collected from the nursery door by an adult.
- Children are not allowed to bring sweets or toys to school.
- Children will be offered fruit, milk and water every day.
- Children must wear their school uniform every day.

Working together

We really want **you** to contribute in the assessment of your child. We are using the Class Dojo app and everyone can have access to see what their child has been doing. We welcome you to have a look and add your own pictures and comments to show us things your child has been doing at home.

Please come and see us if you are having any issues accessing your account.

If your child is really interested in a particular topic please let us know so we can plan activities that are based around the interests of the child.

By working together we can give your child a much better start to their school life.

Library Sessions

Our Library sessions have been very successful!

The children have loved having their parents come in to nursery to help them choose a book and then reading it with family at home.

Remember to bring in your child's library bag on your allocated day each week. Please ask the staff if you are unsure of your day.

Thank you for your support.
